APMA0340-S01: Jia, Leroy L(TA): Leroy was a wonderful TA. He was always extremely helpful during recitations and was able to explain complicated topics in simple easy-to-understand terms. He went above and beyond by always being available over email and offering constantly to write up solutions to previous assignments or send hints for current assignments. He even took the time to make up an extremely useful practice final, despite knowing nothing of what would be on the final exam. I could not have asked for a better, more helpful TA for this course.
